Philippines Sign Official Participation Contract with GREEN × EXPO 2027

- Tropical Nature and Wisdom for a Sustainable Future -

On 21 May 2026, GREEN×EXPO Association (Official Name: Japan Association for the International Horticultural Expo 2027, Yokohama) signed an official participation contract for GREEN×EXPO 2027 (International Horticultural Expo 2027, Yokohama, Japan) with the Republic of the Philippines.

Taking the opportunity of the visit to Japan by Honorable Francisco P. Tiu Laurel Jr., Secretary of Agriculture of the Republic of the Philippines and Commissioner of Section, who accompanied His Excellency Ferdinand R. Marcos Jr., President of the Republic of the Philippines during the State Visit in Japan, a ceremonial contract signing was held with the GREEN×EXPO Association on 25 May 2026.

The exhibition theme of the Republic of the Philippines is “Bukás: Gardens of the Bayanihan Spirit.” “Bukás” means “open” in Filipino and also refers to “tomorrow.” The word represents the Philippines as a country open to nature, innovation, and collaboration, moving toward a greener future.

Under such an original theme, the Philippines will showcase its rich nature, world-class tropical fruits and agricultural products, traditional horticultural culture as well as sustainable agriculture through its exhibition.

The GREEN×EXPO Association expects that the rich nature, culture, and horticultural appeal of the Republic of the Philippines will bring tropical color and vitality to the GREEN×EXPO 2027 site.
